

The Landings

Landlovers Events

Landings Landlovers is a fun, social, and philanthropic organization with membership open to all Landings residents and property owners. Established in 1974, our purpose is to promote fellowship through social and cultural activities while working toward the continued improvement of community life at the Landings with our philanthropic efforts. Through the generosity and hard work of our members, Landlovers has given out over **\$1.3 million** in grants, scholarships and merit awards.
