

TELFAIR IN BLOOM 2018

Telfair Academy Guild presents Telfair in Bloom 2018, a vibrant festival of art and flowers featuring work by local designers. March 22-24, the museum will burst into life with spring flora! Designers will interpret works of art by creating original fresh flower arrangements based on the Telfair's permanent collections of paintings, sculpture and decorative arts as well as *Scenic Impressions: Southern Interpretations from the Johnson Collection*, currently at the museum. The three day events includes the Thursday night Bloom Opening Party, with Kathi Rich fashion stroll; continues on Friday with a luncheon and lecture by Sybil Sylvester, floral artist and owner of Wildflower Designs in Birmingham, known for her stunning arrangements and on Saturday, a floral workshop led by Audrey Wagner King of Carlstadt's Savannah, at which you can create your own beautiful arrangement for your home.
