

Need a New Nametag? \$7.00 each

Do you find that special events are more fun when we can all say “Hello” and be sure of each name? New Neighbors helped facilitate this by providing nametags for our newest residents for the last several years. Somehow, some of us lost ours, or never got one, or whatever. So, Landlovers has connected with the folks who make the tags and have arranged to order new ones, as needed. Please enter the FIRST and LAST names below and we will order them for you. If you include your address, we will “tube” them when they are ready.

Please make your check for \$7.00 payable to Savannah Awards.

Name tags are secured with magnets. If you prefer a pin or clip, please advise.
